Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

January 20, 2006

Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. One copy of each non-U.S. patent document is attached. Copies of U.S. patent documents are not being submitted in accordance with the Commissioner's Notice, "Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Applications Filed After June 30, 2003" (July 11, 2003).

The listed documents (or their non-English language counterparts) were cited in the search report for the corresponding International Application. A copy of the PCT search report is attached, and satisfies the concise explanation requirement for the listed non-English language document because the search report (1) is in English and (2) indicates the degree of relevance found by the International Searching Authority. In this regard, U.S. Patent

INFORMATION DISCLOSURE STATEMENT

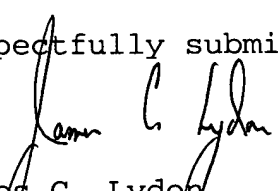

PATENT

5,494,676 to Stab et al. is an English language counterpart to DE 4121030.

The attention of the Patent Office is drawn to the fact that a patent application which may be directed to related technical matter was filed on May 16, 2005, and assigned Serial No. 10/534,988. This identification is not to be construed as a waiver of secrecy as to the cited application now or upon publication of the present application. The Examiner is respectfully requested to consider the cited application and the art cited therein during examination of this application.

No fee or certification is required in connection with this Information Disclosure Statement, since it is being submitted prior to the last of (1) issuance of a first official action on the merits and (2) expiration of the three month period following filing of the above-captioned application. Nevertheless, the Commissioner is authorized to charge our Deposit Account No. 50-1258 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,

James C. Lydon
